

LANCER®

FLAVOR CRAZE

Stainless Steel MVU Dispensing Tower

Flavor Shot Model

Beverage Dispenser Model

Lancer's new Flavor Craze Tower is an ideal way to offer customers a flavor shot capable dispenser in a very small footprint. Designed to accompany the Lancer IBD line, the Flavor Craze Tower is made with the highest quality materials and state-of-the-art technology and provides a unique drink experience.

- MVU expands brand variety to six dispensable flavors in the same space as two LEV's
- Hard plumbed stainless tower (SS Tubes)
- All-stainless, highly cleanable surfaces with no exposed insulation
- Island base dispensing tower
- Designed for easy installation
- Standard LEV flow control technology

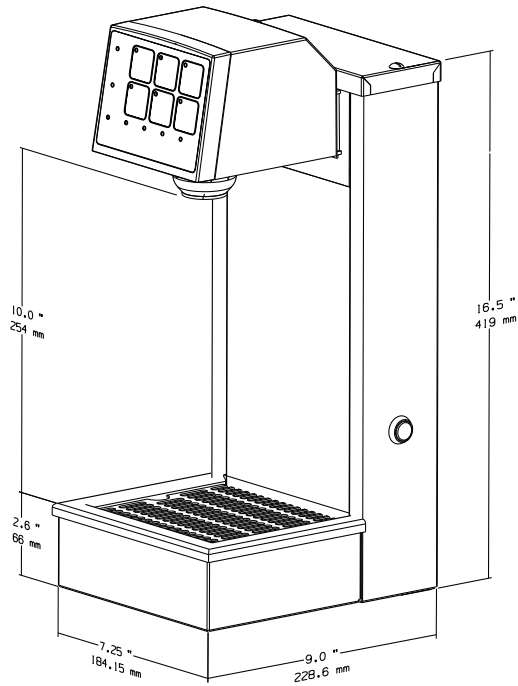

ETL CERTIFIED TO UL STD 783 AND
CAN/CSA STD 22.2 NO. 195
